

THE RED AND WHITE COATS ARE COMING

The Red and White coats are coming! The Red and White coats are coming ! A call that was heard around the region and come they did. On Friday August 2nd, 2013 a total of 42 IR&WS gathered in the beautiful historic town of Greenfield Massachusetts which is located along the famous Mohawk Trail.

After months of planning and hard work the big day was finally upon us. RVs, Vans and cars filled the parking lot on the beautiful grounds of the Greenfield Community College. The place buzzed with activity putting together all of the last minute touches needed before show time.

The day's schedule of events kicked off with Judges Education at 12:30, Sweepstakes judging at 2:30, Regular and Non Regular Class judging at 3:30 PM. Followed by a Parade of AKC Title Holders, a Parade of Veterans, a huge Raffle and an Awards Dinner.

The spacious ring was decorated with beautiful huge Red and White bows, with two large Red and White Setter silhouettes located on each side of the ring entrance. Beautiful trophies and lovely rosettes filled the judge's table.

The magic moment finally arrived ,SHOW TIME! Sweepstake Judge, Frank Washabaugh had an entry of eight puppies and three veterans.

The Association is known for its awesome raffles and this one was no exception. We all gathered around the raffle tables with fingers crossed that our magic number would be drawn and the luck of Irish would be with us. Albrecht UaSiaghail had the honors of drawing the winner numbers, making some very happy!

The Awards dinner is a time to relax enjoy good food, friendly conversation and to celebrate the accomplishments of IRWSAA members and their R&Ws.

As another successful National Specialty comes to a close happy memories of this awesome event will always be

with us. And as we say goodbye to old and new friends we look forward to the 2014 National Specialty on Friday October 24th in Dixon California

A very special thanks to Kathy Pellerito and her committee for making this event possible.

The Irish Red and White Setter is not just a pretty face, it's an outstanding bird dog and can be found competing in Obedience, Rally and Agility. A truly versatile breed.

Always Happy Hunting!

Irish Red and White Setter National Specialty Judge Comments

Thank you for inviting me to adjudicate at your 2103 National Specialty. It is an honor to have the opportunity to enjoy so many Irish Red and Whites from a judge's perspective. I feel your standard is very clear in it's first

paragraph as to the impression an Irish Red and White should give. A working dog that is strong, powerful and athletic. Having run my own Weimaraners in field trails, I can well appreciate what that means.

In evaluating your breed my prime consideration was to find dogs that had the correct outline and movement but also were strong and muscular. For this to be present in a dog one needs a strong skull and a muzzle that is well filled in as well as having a good underjaw. Speed and endurance in the field also require a good length of ribcage and a deep well sprung ribcage. The dog must have good breadth of thigh in order to drive smoothly and with great power. My breed winner had all of this. She caught my eye in the Hunting Bitch Class and the minute she came into the ring for the Best of Breed Competition. My WD, though young, shows much promise and has a correct outline as did my RWD. The WD I felt carried better color. My WB is lovely as is her sister who was RWB but the WB carried a stronger underline.

My select dog and bitch both have the strength and substance I like to see in an Irish Red and White. This breed is very young here in the United States. I would caution the guardians of this lovely breed to be vigilant in their dogs' outlines especially with regards to shoulder layback, substance and depth and length of rib.

My best to all of you.

Gale Young
